This Victorian semi-detached house is situated on a *no-through road* leading up to a secondary school. Farnham is a thriving Georgian town with lots of history and is surrounded by beautiful countryside. This is a lovely location to holiday having so much to see & do in this area; see local websites below.

The home is just 5 minutes walk from the local pub, post office and bakery & within 15 mins walk of a shop, supermarket & restaurant. There is no off-road parking but there is space to park the car close to the house.

The home is well equipped with a contemporary bathroom, 2 toilets, modern kitchen/diner with oven, hob, microwave, dishwasher, washing machine and tumble dryer; a dining table that seats 8, & there is a large leather sofa here too. In the separate lounge is the sofa-bed, TV, Xbox, fireplace and board games/Lego and other toys.

There is an enclosed lawned garden giving plenty of space to play and a top eating area of the lawn that can be covered if necessary. They have garden table & chairs and a barbecue, so this is a great space to enjoy 'al fresco' eating on a warm summers evening!

House swappers are welcome to use the 4 adult sized bikes and 2 children's scooters.

The family attend Bethel Baptist Church where there is a good mix of traditional and

contemporary styles of worship. About 130 people attend the morning services.

"We are a very welcoming community that enjoy having new people visit. There are a few people in the congregation that speak different languages and we have a monthly shared lunch open to all as well as mid-week groups."
