It has easy access to the A12, A14 and A140 meaning access to London, Cambridge and Norwich is just over an hour by car. It is also located close to the A1120 tourist route which has some interesting places to visit along the way including in just 2 ½ miles the popular Stonham Barns, a leisure and low-key shopping village with a nice café. (website below) The local

farm shop is ½ mile away, and nearest range of shops & eating places are 3 miles into Debenham. The house has level access throughout ground floor, which includes lounge, separate dining room with piano, kitchen, utility room and downstairs toilet. The TV is only for use with DVD player i.e. it's not licensed for receiving BBC or live broadcasts. Upstairs, via the main or back stairs, are the three available bedrooms and the bathroom.

The patio area is outside the lounge and kitchen, and they have garden furniture and a BBQ.

House-swappers are sure to enjoy this spacious enclosed ½ acre garden, mostly laid to lawn with shrubs, fruit trees, Ash and Maple trees as well as the adjacent 1acre grass field with veg plot and bee hives enclosed by hedge. Summer 2026 From Steph and Rob in Northumberland Ref:- 1303

Top marks for this house swap holiday!

This home was a wonderful way to experience the beautiful county of Suffolk. We were given a list of suggested places to visit. Wow! There were surprises all around us, such pretty villages and places to explore. There is a beautiful view from the house, and the garden is enormous. We really loved the ripe plums and apples, and watching the woodpecker hop around was delightful. The village was pretty and small. The roads leading up to the house were quite narrow in places. There was a small shop nearby, but apart from that you had to plan ahead for shopping.

Suffolk is a stunning county...we lost count how many villages were simply gorgeous.

We were made very welcome in their church and were impressed with the number of people attending at peak holiday time. We felt very comfortable there.

Summer 2022 from Hazel in Devon ref:- 1598

This was my first official house swap and first proper holiday in many years. I wanted to see East Anglia because I didn't know it and it was a complete contrast to where I live in Devon. I totally loved the area and the peacefulness and tranquillity of the house and garden. Branston the cat was a delight.

The house was very welcoming and there was a nice patio with table and chairs next to the kitchen which was very private and where I spent a lot of time. I had a lovely bedroom with views over the garden and a comfortable bed. The garden was huge and backed onto fields. There were lots of walks from the door and the next village Debenham was very pretty with some nice shops and great walks. I thoroughly enjoyed the swap, I just felt conscious it was a little unequal as my house and garden were so much smaller than the house I got. Suffolk has so much to offer !

2023 from Ruth in Dorset ref:- 1400

We really enjoyed our house swap holiday here. We found many locations to visit within a 30-40mins drive away. The house and garden are lovely and the location has a real country feel, which allowed us all to relax and enjoy some time out from our town house. Kev and Aud were very accommodating with our children, leaving out games for the garden and home which were also enjoyed. Top marks all round!
